ICE: Interactive Content Exchange, the world's coolest interactive media event™, returns to The Carlu in Toronto, Canada for two days of intense talk and trade with top interactive media industry producers, executives and entrepreneurs from around the world.

MAKING IT BIG

Are you interested in "Making it Big"? Whether that means going cross-platform, expanding your interactive brand or broadening your market, this year ICE08 will explore how top companies are creating interactive products, services, and experiences through an essential mix of core values and skill sets.

"Every Interactive company must balance their strategies in three key areas: Innovation, Creativity and Enterprise" says Ian Kelso, Executive Producer of ICE: The Interactive Content Exchange. " No other industry demands the same high level blending of artistic, technological and business acumen."

MAKING DEALS

ICEXchange, the interactive media marketplace, is where deals get done at ICE 2008. Participate in facilitated one-on-one meetings, matchmaking services, pitching competitions and many networking opportunities. ICE: the Interactive Content Exchange has quickly become one of Canada's top markets for Interactive Media content and services. All ICEXchange services are free for all registered delegates.

MAKING IT HAPPEN

Have something you want to say? Have a discussion topic you would like to recommend? This year there will be more opportunities than ever for industry participation in the content of the event. Send your suggestions for topics and speakers to: ideas@ice08.com
